FOSTERING

By J. Novak

Morning dawns, Carol and Dave leave early as I snuggle deep down into the sheets. Long after they're gone, I luxuriate at the feel of the cool fabric on my hairless skin. It conforms, marking the topography of my body, skimming the highs and lows, rising up, up, up the towers of female

flesh to suddenly drop below my chin.

A silky robe slides on my arms as I wind my way to the kitchen. Nibbling on a piece of toast, my call to Val goes unanswered.

She must be busy... working on our project I hope. Wandering the house, I watch my feminine moves in each reflective surface. The nymph

is beguiling, adorable, but I become bored, edgy, nothing holding my attention for long. Thoughts of sex, thoughts of the girl at the boutique spin through my memory, bringing a smile to blossom on my full pouty lips. Yes, shopping, that's what I'll do! Within minutes I have a list of things I need to get, more depilatory cream,

mascara, blusher...and who knows!

I take my time dressing, enjoying as I always do, the feel of the feminine garments, so constricting and controlling, the touch of the cosmetics, so light and caressing on my soft skin. I immediately swell, my cock standing straight out, the buzz of excitement sending pulses from that center. As I continue to dress, the evidence of that passion recedes, sitting just under the surface, just as powerful, but contained, hard on the inside.

I walk the six blocks to the strip mall, the day bright and pleasantly warm. The silk blouse and gabardine trouser loosely flowing, complimenting my small waist and full bust. Eyes and whistles follow in my wake, making me walk taller, tripping along gracefully on the high stiletto heels, head held high, curls bouncing.

A casual stroll through the mall shows it to be only minimally busy. Lots of delivery boys, some of whom I remember from school, none of whom remember me, I am sure. They stare as they walk briskly on their way to do errands, their dreams of passion obvious on their faces. Businessmen shop quickly, sure of what they want, heads

turning in double-take at the tall, leggy redhead who strolls by.

Off the main corridor I find a tiny shop that I am sure was never there before. FREDERICK'S OF HOLLYWOOD. Models in the window present wisps of lingerie, stock-

ings, and penoirs. They call out in their silent way. A bell chimes as I step past the doorway. Racks of lacy lingerie find my fingers for a touch.

A woman, older, brittle, peeks out of a back room, surprised that someone could be in her shop so early. "Can I help you?" But the tone of her

voice asks many more questions. What are you doing here? Do you know what kind of shop this is? You don't belong here, some young man should be buying nice things for you. How did you get to be so young and pretty?

"Just looking, nothing particular in mind."

The look in her eye says she now understands. This pretty, rich woman is bored, looking for some safe, cheap thrills. She won't buy.

The mannequin in the back beckons, the massive head of hair reminding me of Val. A body suit in sheer black, embroidered roses scattered over legs and body. "I'd like to try this...do you have one in my size?"

She reaches down to a drawer in a near cabinet, flicking through until one box is singled out, "This should be your size." She says it as if I have no right to be my size when she is forced to be so much larger.

"Can I try it on?" my facial expression asking where.

"Right over there." she points to a small booth with a curtain hanging in front. She stands in my way as if daring me to really do it.

I brush past, pushing the curtain back and dropping my purse on the bench seat. I

slide the curtain casually back, unconcerned that an edge is left open. She stands right outside, eyes peeking over the barrier, guarding her prize patron of the day.

Blouse and bra sway on the wall hook. Turning, I open the back zipper of the slacks, allowing them to drop to my feet. I can see her shadow looming over the curtain, her head snapping back as I quickly glance in her direction. While she is turned away, I step out of the slacks, now clad only in bra, panties, stockings and heels. Watching over the top of the curtain, I keep her at a distance.

Naked, I try the black bikini panty on. It covers well, holding my extra equipment down and back. The mesh body suit takes time to fit, giving carefully, pulling taut. The neckline hangs off the shoulders, a drawstring ending in a pert little bow at the dip of my décolletage. I slip my black heels on and sweep through the curtain.

Without waiting to see her reaction, I step to the three panel mirror and strike a provocative pose, "What do you think?...daring enough?" Peeking back over my shoulder I find that she and a man are standing with mouths agape, the embarrassed look of the voyeur written on their

faces. "Oh, I'm sorry...I didn't realize that you had other customers."

The man recovers first, smiling to hide the feelings that are raging inside him, "Uh, I..I..was thinking of buying that same thing for a friend...I appreciate having you model it for me. Could I see the front?"

As I turn to face him his eyes become entangled in the mesh that only slightly covers my bosom. The embroidered roses only barely hiding the dark pink of the aureole, nipples standing out like small gumdrops. I stroll over to them and back, memories of my displays for Dave reminding. The walk is slow, hips rolling like oiled ball bearings. At the turn their eyes slide down my body like warm honey, coating, soothing, seeking every crevice.

"I'll take one..." reaching for his wallet. She moves back to the drawer, never taking her eyes from me. As she digs in the drawer she finally breaks the spell, swinging her now hard eyes to him. "What size?" she snaps.

"That one.." he points, not knowing what size she has in her hand.

"I'll take this one too...It's kind of pretty, don't you think?"

They are still staring, the

man nodding his head up and down. I duck back into the dressing room, adding extra to my walk for them. The suit comes off much easier than it went on. Panties and stockings in place, as I pick up the bra, I am startled by her voice from the top of the curtain, "Oh, don't dress yet...there's lots of pretty things to try on here."

Her head floats above the curtain, eyes boring hungrily at the soft mounds of flesh that now face her. Trailing my fingers over the curves and valley I bring forth a breathy tone, "I'll be back, but I have some other things to do now." She nods in deference to my tone of soft command.

Down a few stores is the pharmacy I was looking for. Basket on arm, I peruse the aisles seeking the elusive items. From being immersed in reading a label, I look up to find myself surrounded by baggy hip-hop pants and high top tennis shoes.

"Can we help you find what you're looking' for?"

The four of them crowd me, the uncomfortable position meant to intimidate, confuse. "No, I don't need any help, thank you." I step to break the invisible ring when I notice that it's Kenny. I pause, automatically about to respond to old feelings of

what I've come to realize was a crush on him. He takes the pause to be interest.

"Maybe we can get together some time...just the two of us?"

Regaining control, I smile an enticement, giving some dimple for extra. "Why do I get the feeling you want to get in my pants?" The group hunches closer feeling the tension in the air. Ken grins sheepishly, a look of sexual hope covering him like a blanket. Before he can respond I continue, "...and why would I want that? I already have an asshole in there!"

My directness had lured him in, built his macho image in front of his group. As the last words hang in the air with soft bite it strikes home. His face goes blank, his body tensing, "You...you, Bitch!" he snarls, spit flying from his lips as if to emphasize.

They step aside as I move past, afraid to touch the beast who can so effectively break balls. "That Bitch...that bitch..." drones behind me as I step to the checkout counter.

A tap on the shoulder alerts my defenses. "I have to applaud you for your handling of that jerk over there." The well dressed man from the Lingerie store stands pointing at Kenny and his

friends at the back of the store. The smile on his face trying to make an impression.

I smile back, catching the man's eyes take in my long legs beneath the loose slacks. "Didn't I just see you..." my eyes indicate the Frederick's.

*Why do
I get the
feeling
you want
to get
in my
pants?*

"Yes," sheepishly he admits, "I'm Al Harris. I work over here at the bank...in the trust department."

"Isn't that interesting," I breath in a soft voice, "I bank there." As I say it, I realize my mistake. Names. I cannot use my real name. Too much information is available in the records, especially for one so obviously interested in me.

"I'm Carol Stock. My husband Dave and I manage a trust fund for a young boy who lives with us."

Al looks crestfallen at the mention of a husband. He looks to my hands, noticing that I'm not wearing a ring. Hope floods his face.

An idea flashes into my mind, an opportunity to get my money away from Dave and Carol. "We've been doing this for a while now,...but we're getting a divorce," wiggling my fingers before him, "and we'll have to figure something out with the boy. He'll be gone before too long." I look down to the package hanging from his hand, the plainness of the bag proving it is not from any of the other advertising prone stores. "Something for your wife?"

The sun comes out on Al's face at the mention of divorce. "Uh, no. I'm not married." he looks down at the package, "Actually I only bought it because it looked so great on you. I'm not sure what to do with it now. But about the trust fund, I'm sure I could help, I deal with that sort of thing all the time. Uh...maybe if you have time we could have lunch...uh, to discuss it of course."

I know there is an opportunity here. I'll just have to play

it right. I allow our hips to touch as I strike a pose. The smile is subtle yet sensual, "Yes,..why don't we do that. Do you have a place in mind?"

Gibberish flows from Al's mouth as he tries to say many things and reverse himself at the same time, "There's a little Hungarian Restaurant just around the corner. I hear the foods good there." Actually, Al had heard that the food was only fair, but that the drinks were strong and the atmosphere was dark and thick enough to cut with a knife. We walk through the mall to the restaurant, I attempt to keep a distance between us. As we are seated, Al moves behind to hold my chair, making some touch. A drink order pours from his lips for us, wine for me, a martini for himself, light fare for both. We sit in the romantic semi-darkness facing one another, legs making light contact from time to time.

Little by little I am able to drag information from Al, balancing this with the flirting that is happening on a different level. Al's face is feverish, his legs rubbing against mine more than accidentally. But I know I must work within this framework if I am to get this money and get away.

"So if I understand it, I..we could open up a checking account so I could write checks for his expenses?... Even if he doesn't stay with

us?" A nod from Al."...or we can wire transfer it anywhere in the world?"

Al reaches out taking hold of my hand, claspng it

Letters to Kim Christy

If you wish to write to Kim and possibly have your letter published please send all correspondence to F.M.I PO BOX 1622, STUDIO CITY CA. 91614. All letters sent are considered for unconditional publication unless otherwise specified. If you wish to have your pictures published as well, please see the new requirements for model releases and ID on page 39..

DEAR KIM,

I am writing this letter in hopes that someone can help me. I am a depressed and confused individual and have been for a long time. You see I am a cross-dresser. I have been crossdressing since I was little. I used to wear my mom's fingernail polish and my grandma's old dresses. My parents then tried to set me straight by saying that I was a little boy and that was not the way a little boy acted. As I grew

up the stronger I felt that I should be a girl. I always talked about getting a sex change and I really wanted one.

Now I am 21 years old and I feel more than ever that I really am a woman. I crossdress as much as I can. I don't go out in public as of yet but I want to as long as I don't draw attention to myself. I am very shy and self-conscious about myself plus a little scared. I also want to be

almost fully of a woman to come out in the world and show my true self. The only thing is I don't know what to do about becoming a woman externally. What I mean is to start getting on estrogen and beginning my feminization, growing breasts and getting the rest of my body ready for sexual reassignment surgery. I don't know what to do about getting the hormones I need for my feminization. I feel that this

is my next step in my life. I need to start doing this immediately. I hate living my life pretending I am someone else when I know that is not the real me. I am a woman and i want to be and show people that I am.

What I would like is some information from you telling and explaining to me what i need and can do. I am determined and know that this is what I have to do. I want to start showing people that I am a woman and have been all my life. I would appreciate it if you would send me some information about what and how to proceed further on into my feminization. Thanks very much.

Dear RC,

My suggestion to you is to contact people or organizations in your area who specifically work with gender transformation. Another suggestion is to contact a psychologist who works in the field of gender transformation and he or she can help you to find what you'll need.

*Best Wishes,
Kim*

Dear Kim,

Hi, my my name is Michelle. I'm a crossdresser living in upstate N.Y. I have been dressing for many years; but in the last few years I've realized my potential. I've realized that I can be more than just some guy who likes to slip on a pair of panties when the lights are off, and quietly fantasize about being out in the world dressed.

About two years ago, I created a character for myself. I cre-

ated her so I could go out meet people or more so they could meet me. I gave her a specific look (short skirts, really red lipstick, wild hair). I gave her a specific personality (shy, until she gets a few drinks in her, soft spoken). I didn't know at the time how people would react to me; so I wore black clothes and went to dark bars. The reactions were very complimentary. I was turning guys on left to right...but I knew that I couldn't control how people were seeing me; what angles they were seeing me from. Being intelligent, I realized that as a man portraying a woman, I looked better from certain angles than from others, so I purchased a video camera and I started making tapes of myself.

In these videos, I could make myself prettier than I thought. I could control the light. That was the key. I could edit all the best angles, the most feminine poses and put them together. I could edit out what didn't meet the standards i had set for myself.

Now after two years and about ten hours of tape, I've decided to find out if my ability is marketable. I know you have helped others and I can't think of anyone else who has as much "class" whether it be your magazine or films, no one has produced as many beauties to the world. I want to be in this world, I want men to see me and become hard and I will do anything to make it real. Thank you Kim for your contribution to our world and for your consideration.

**Love Ya,
Michelle**

Dear Michelle,

We love to receive material from our readers. However if you, or anyone else, send in material and want a response you must enclose a self-addressed-stamped envelope. If

you want the material returned to you, if we decide not to use it, you must enclosed a self-addressed-stamped envelope large enough to return your material and with the correct amount of postage. We cannot accept responsibility for unsolicited material. However, as I mentioned, we do love to receive your photos and letters and often use them in our publications. With photos you must also send the model release that is printed in the magazine.

*Keep Working on it,
Kim*

Dear Kim,

I am writhing to you so you can call attention to the transgender people out there.

I just received a brochure from a TS, TV boutique in New York City that I requested. After looking at it for only a moment, I saw that their prices were outrageous!

I buy my feminine clothing from various stores. These stores are much cheaper in price and they have a great selection of clothing to offer all us ladies out there.

To which, I'm going to give you a few companies and addresses to pass a long.

Fingerhut, POB 1100, St. Cloud, MN 56396-1100

JC Penney Co., Catalogue Division, Atlanta, GA 30390-0370

Victoria's Secret, POB 16589, Columbus, OH 43216-6589
Legs Brands, POB 748, Ruhah Hall, NC 27098

The Smart Saver POB 105, Wasco, IL 60183

Fantasies in Lace, POB 100279, FT Lauderdale, FL 33310

J.C. Penney and Fingerhut

sell all types of merchandise, not just clothing. Legs Brands sells pantihose, stockings, panties, bras, briefs, etc. They mainly sell feminine undergarments and they are reasonably priced. The Smart Saver only sells girdles and bras. Most of their bras are playtex brand and their prices are decent. Fantasies in Lace sells mainly feminine undergarments for the transvestite and transsexual. Naturally for born women, too. Again, their prices are reasonable. Then their Victoria Secret. I can't say enough about this company. What a wonderful store! They sell all types of sexy feminine clothing, not just undergarments either! I know cause I've bought a lot of clothing from them since I discovered this company. Their clothes fit perfectly. They look so nice on me and make me feel ohhhh soooo feminine. I'm even wearing one of their sexy outfits now. You can't beat their prices either.

Please tell your friends about these companies. You can't go wrong. Especially about Victoria Secret. The transperson will go hog wild in their catalog. I know that i sure did.

By the way, all these companies put out catalogs for mail order.

You'll have a lot of grateful people out there if you pass this information on. But above all! Keep them away from that rip off boutique in NYC.

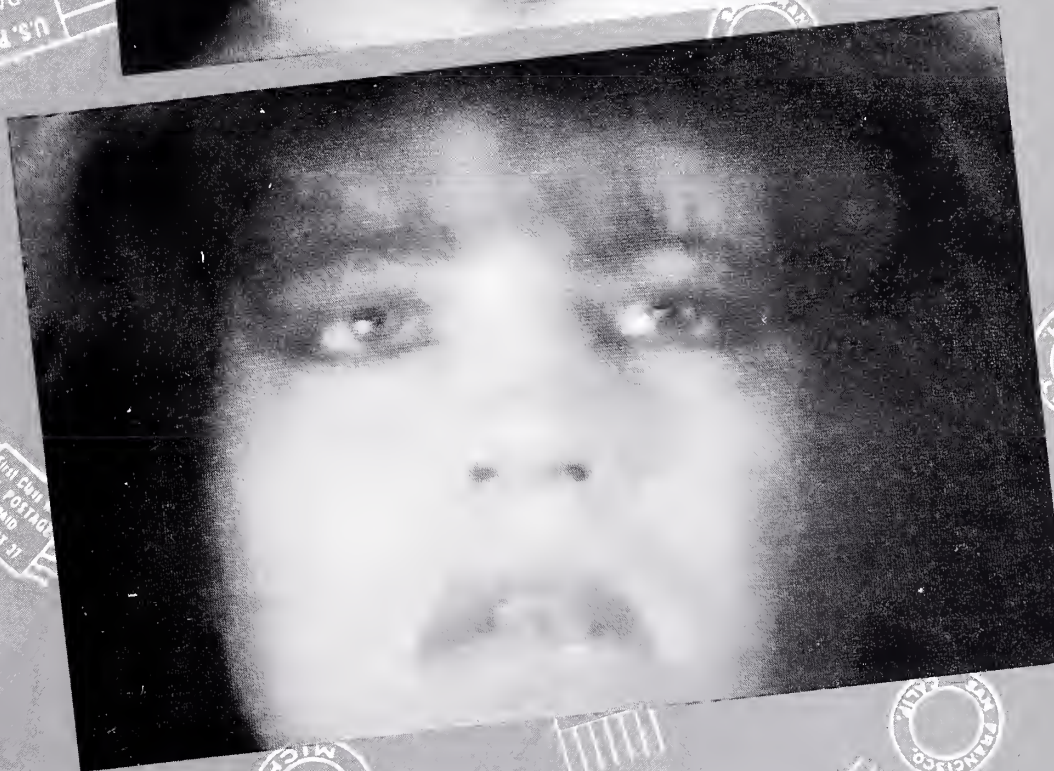

**Yours truly,
Ms. KJW**

Dear Ms. KJW,

Thank you for all of this information you so generously gathered and passed on. Our readers will certainly enjoy getting and using these catalogues.

We want to make it clear that the boutique this letter is referring to is NOT "Lee's Boutique" in NYC. Lee's always services

the TS's, TV's, and all others with quality products and service and has for over 20 years. We also want to mention Versatile Fashions at POB 1051, Tustin, CA 92681. They have a great catalogue and a quality selection of garments for all of us.

CATWALK BEAUTY PARIS, in the spring!

At one foot eight inches tall and a perfect size 7 there is no end to the amount of runway work this translucent super model gets! Muse of New York City's top designers, she has one for her special look, great smile and sunny disposition.

When strutting her stuff on the catwalks of the major fashion houses of the city Paris is the consummate pro never letting on her true identity or secret passions! Paris is however quite the clothes horse admittedly, with one of thee most fabulous and well taken care of wardrobes I have ever witnessed for a career girl!

Paris has style, personality, sex appeal and a great sense of fun about life and best of all she is kind and compassionate to all who meet her, she really is a heck of a "LADY", well sort of a lady.

between his own, "Well, normally we don't allow a trust fund to be handled that casually, but I'm sure I could work something out with you."

I have not missed the terminology "with you", not "for you". Al will have to be handled. There has been a subtle shifting of Al's chair bringing him closer to me under the table. Our legs now press.

Allowing the contact to continue, I pick up Al's hand from the table. I hold it with the palm facing me. Slowly I bring the palm closer, breathing softly on it's sensitive surface. Bending the palm and other fingers back, I raise his middle finger up to touch my forehead. The finger is slowly traced down the plane of my forehead, down the slope of my nose, down to rest on my lips...a pause...the lips open, taking it inside. The hot wet of my oral cavern enfolds it. The incredible sexuality of the act, so totally unexpected in so public a place staggers the banker. The shock of the warm, liquid sensation is immediately transferred to his member where it is duplicated though no contact has been made. It stiffens with startling rapidity, filling his pants to painful.

I slide the finger from between the red lips, sucking it as it departs. Licking my

lips sensually I smile at Al, "I'm sure we can work something out to our mutual benefit. I'll be in contact with you." I rise from the table and casually saunter through the restaurant without looking back, knowing that Al will be watching, that he cannot leave the table until his erection subsides.

Her phone continues to ring, crying in the emptiness of her house. After several tries and a few more purchases I take my time walking home, reveling in the feminine touches surrounding me, absorbing the looks and whistles that are all for me. Dave and Carol are waiting.

"Where has our little sex kitten been all day? Getting into trouble?"

"No such luck...just a little shopping. There are always things I need...want to see what I bought?"

"Sure, you go put it on and we'll be right with you, Honey."

The box from the store flops on the bed. Expectation sends tendrils of excitement tingling throughout my body. I watch in fascination as my lacquered fingers open the buttons of my blouse. More and more the creamy expanse of my bosom is unveiled. The initial shock of discovery has long been replaced by a pas-

sionate joy that these beauties provide. My hand slide from their curved expanse to the back zipper of my slacks. The slacks slide off quickly, dropped and picked up to be thrown on a chair. Hands cup my breasts from the back, their warmth and roughness causing a quick reaction, as my nipples rise in response.

"Oh...! Dave...Oh, that feels so good!"

One palm abandons its post to reach between for the unsnap. Dave brushes the now loose shoulder strap off and down with his chin. His lips nuzzle the side of my neck and ear. It sends a buzz that roars like a freight train. My knees are weak, the heat starting.

I slide a hand between us, feeling his erection pressing into the cleft of my rear. It feels massive, hard as an iron bar. My clutching hand squeezes, a moan of passion rumbles up his throat to exit at the junction of my neck and jaw, "Oh, God, Baby...Hold it tight...so tight!"

His hands roam everywhere, cupping, squeezing, caressing. They turn my flesh to fire, forcing me to press back to have him hold more, to steal more feel.

He captures my lips as our faces turn together, sucking, mashing them as if to quench

our fire. Both sets of hands explore centers, coaxing expanded members to come out and play. His belt refusing to give in, he must help to pop the little tongue that locks.

My panties slide down the long expanse of my stockinged legs, the lacy elastic tops of the stockings rolling down and then up with his hand motions.

I must bend to work the boxer shorts down over his excited prick, the smell and heat adding to my lust. As the waistband clears the springing shaft, it lurches up at me, the soft head rolling over my cheek.

As I rise I trail the member down my throat, down to the cleft of my breasts, pausing to paint it around each breast, dueling with each nipple. Through the valley between them, rubbing the sensitive underside against the smooth, hairless stomach skin. It pokes at my navel as if trying to gain entrance here.

A baby voice, "Does Dave want to put that big, hot thing inside little ol' me?" I kiss his neck, pressing our pricks together, my short stick rasping against his long, long shaft.

His breathy, horse voice sending tingles of love to

wash over me from where his lips touch the top of my head. His hands hold us tight, each paw wrapped around a rear globe, fingers digging under the edges of my stockings, "Yes...Oh, yes, I need you now...need to fuck your sweet ass...uhhhmmm."

He twirls me around, my high heels acting the pivot. Bending me at the waist he slides his prong along the tender valley of my rear.

"Just take it easy, Robbie, Darling'... Dave just needs a little lovin' to make up for the fact that you ain't been available for a while." The contact on my nether opening is soft but hard. It demands entrance as it pushes to widen the tight opening. All thoughts are suddenly cut off by the incredible feeling spreading from the center of my ass. The big fat cock pushes up against the tight ring...moving into it...making it feel..ooh...so...good!

Pressure builds. The burning spreads as Dave applies his weight. The ring of muscle flexes to allow the blunt head of Dave's cock to squeeze through. I can feel the walls of my rectum stretch to encompass the hot pulsing slab. As it prods deeper, I find that I am holding my breath. I let it out in a long drawn out groan. Now

each breath in and out heightens the sensations, the feelings inside me.

I lift my ass, pushing it towards the massive invader. I want it, want more. My need is to have it deep inside me. I need the thrill of that fat cock going up inside my satiny rectum. "Fuck me, Dave...Oh, fuck me!!!"

Relaxing invites the prick to enter, to creep, to delve, to fill the velvet glove.

"Uuhhh...too...too much." But it continues to drill, pressing on my prostate, triggering an expulsion response that grips Dave's hot meat, milking it.

To Dave, the clenching and roiling in my ass is added ecstasy, sweet sensation. The ministrations of a hand, the workings of hot pussy muscles. He presses his belly up to my cheeks, his sack swinging and hitting at my own smaller set. He is in! The tight grip of this man-pussy sets him on fire. As he jacks in and out, the pressure builds in his testicles, they rise, warning of release.
